4th CTO LIVE 2010

“Never Give Up”

Program Information

There has been a lot of challenge and discussion in Chronic Total Occlusions of coronary arteries to interventional cardiologists. The 4th CTO Live 2010 is intensive one-day scientific program dedicated to the treatment of CTO with the improved techniques and devices from invited operators and world class experts. This year's event will feature live coronary cases, case presentations & reviews and special lectures with technical tips & tricks presented by experts in this field.

Highlights of the Sessions include :

Live Case Demonstrations

Advanced Operator Techniques & Novel Devices

Case Presentations & Reviews

Interactive Discussion with the Audience and Q&A

Special Lectures

Technical Tips & Tricks to Optimize Procedural Success

Exhibition

Cutting Edge Technology and Information about Products

Target Audience

This program is designed for interventional cardiologists, endovascular specialists, clinical cardiologists, catheterization laboratory nurses, cardiovascular technologist and other health care professionals with a special interest in the field of chronic total occlusions.

Program Sponsorship and Support

This activity is sponsored by the CardioVascular Research Foundation (CVRF) and partially supported through educational grants from commercial supporters.
